

THIS IS A TESTING AREA
FOR A BETTER WORLD
Enter on your own responsibility!

That looks interesting. What are you doing?

I'm making a machine for understanding CULTURAL DIFFERENCIES.

A-A

We will make TIME for you...
...it's for free, don't worry...

...and it's really easy to make it nowadays!

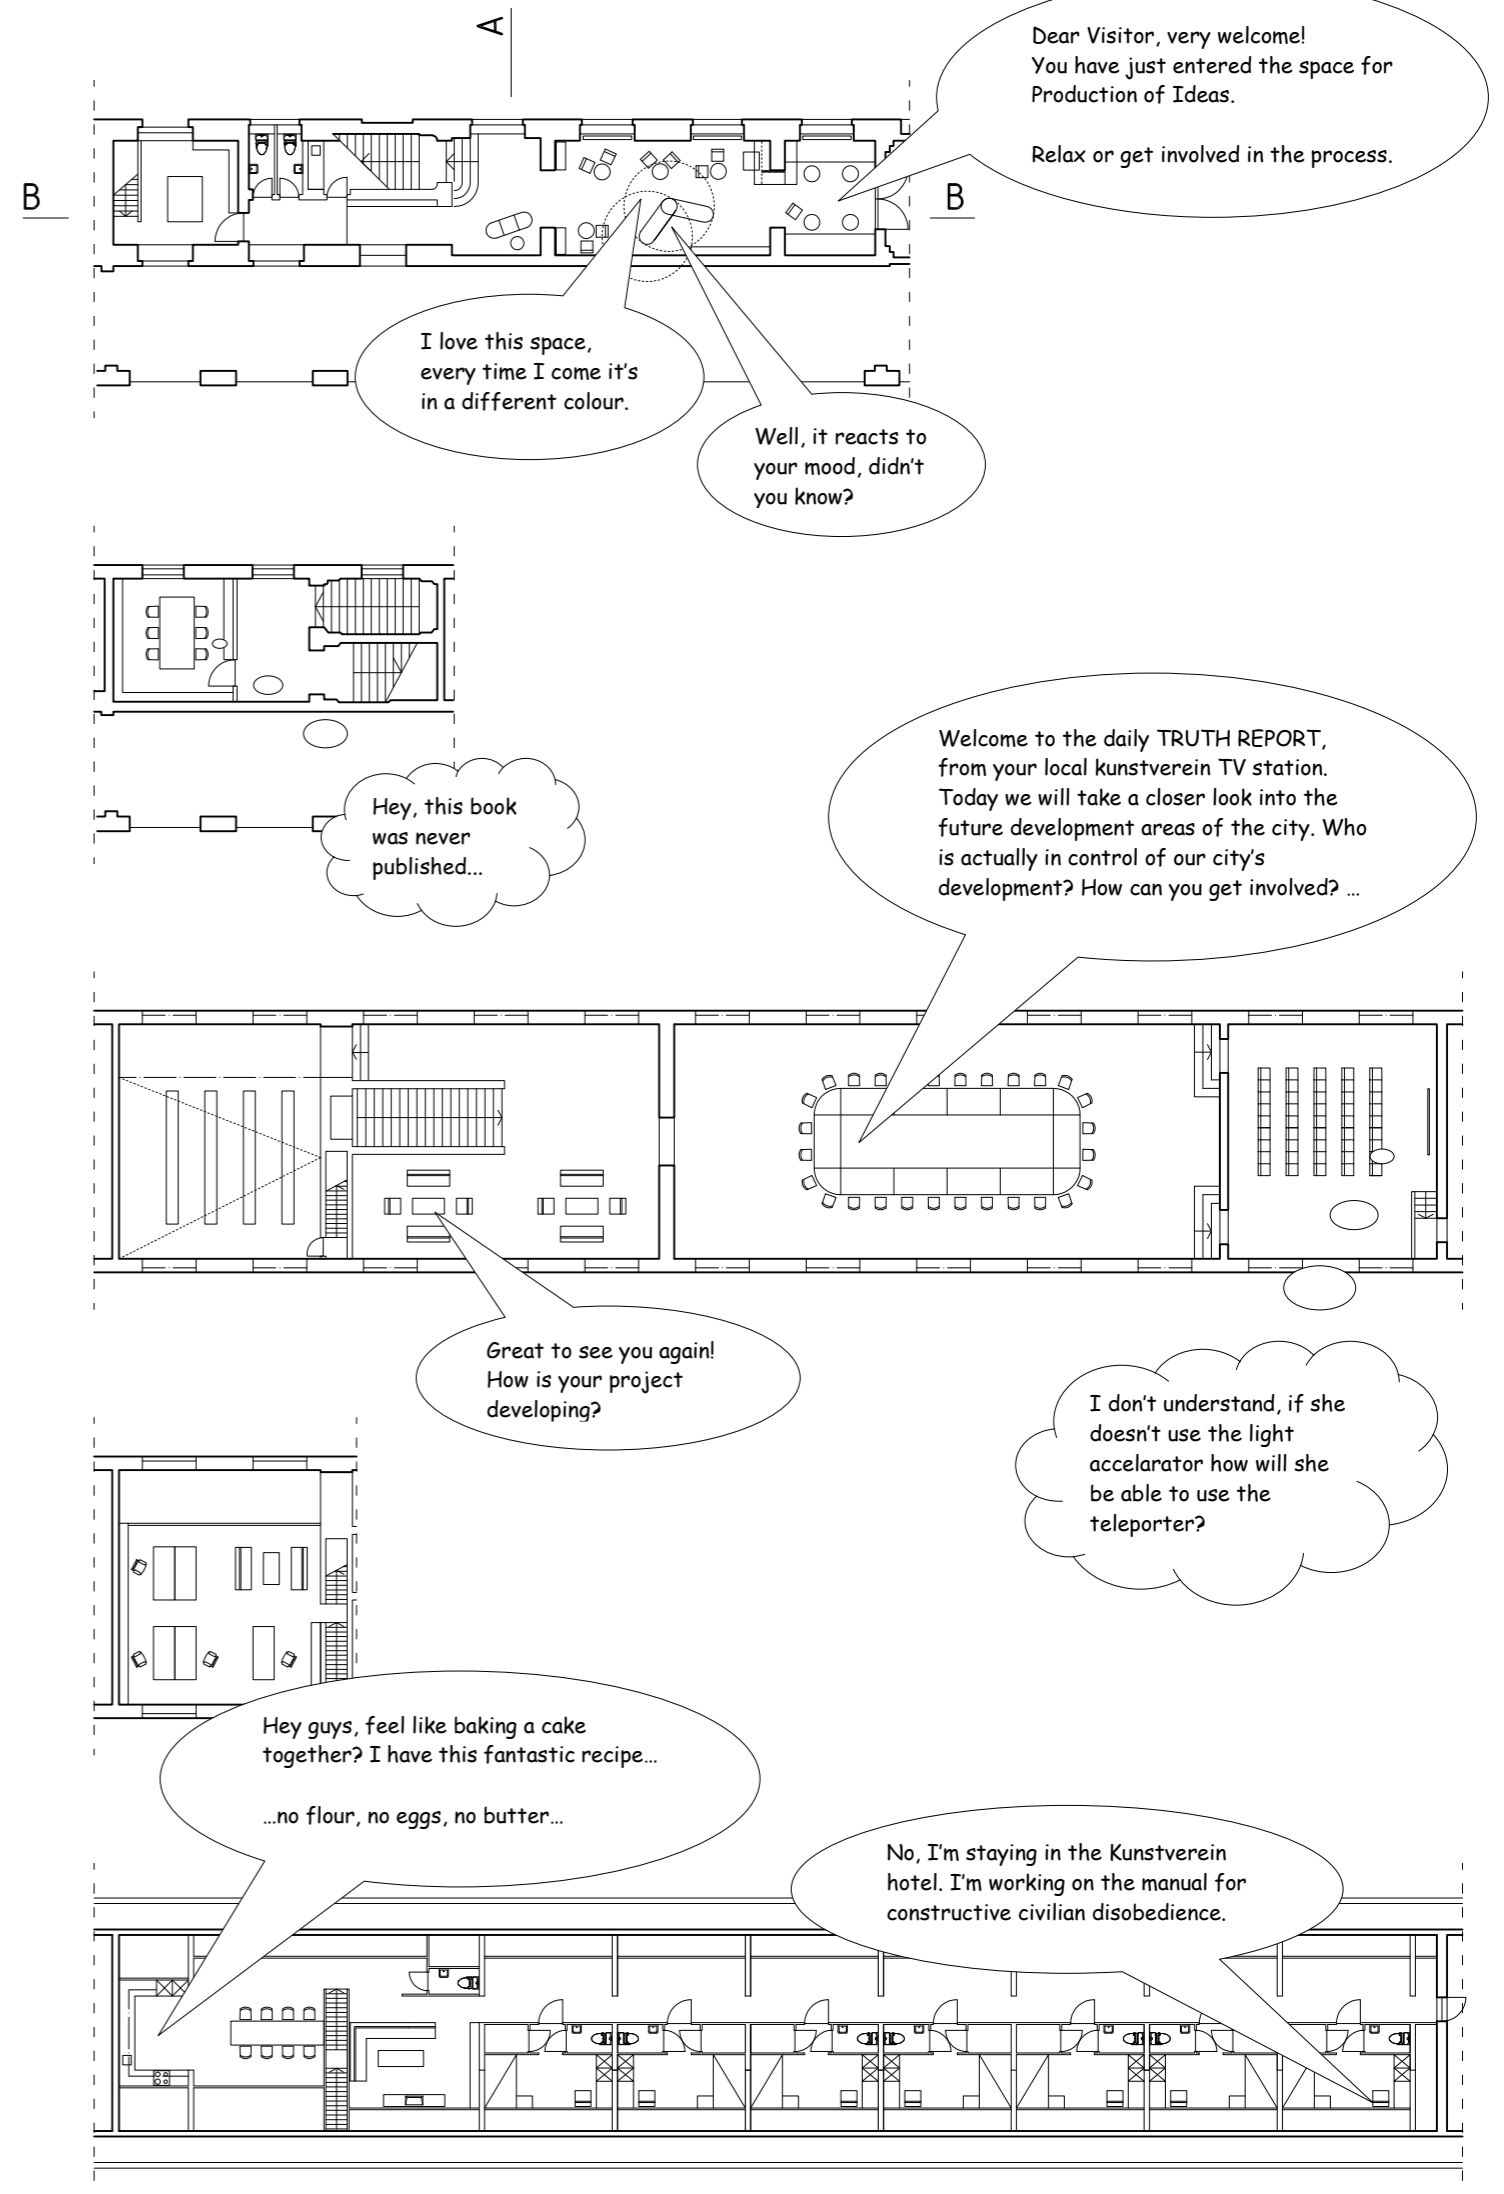

I wonder if this mind reader will work on distance

B-B

This drink is really inspiring. It makes me think!

We have an ongoing program of films you have never seen. Please, take a seat!

Dear Visitor, very welcome!
You have just entered the space for Production of Ideas.

Relax or get involved in the process.

I love this space, every time I come it's in a different colour.

Well, it reacts to your mood, didn't you know?

Hey, this book was never published...

Welcome to the daily TRUTH REPORT, from your local kunstverein TV station. Today we will take a closer look into the future development areas of the city. Who is actually in control of our city's development? How can you get involved? ...

Great to see you again!
How is your project developing?

I don't understand, if she doesn't use the light accelerator how will she be able to use the teleporter?

Hey guys, feel like baking a cake together? I have this fantastic recipe...

...no flour, no eggs, no butter...

No, I'm staying in the Kunstverein hotel. I'm working on the manual for constructive civilian disobedience.
